Parish Spring Cleanup (Rain or Shine)

Come join us on **Sat., May 12, 9-12 am**, for a parish workday to spruce things up around the church.

Some of the tasks **outside** are to weed the flower beds, weed around the columbarium, prune/trim dead branches from bushes in the yard, mulch the flower beds and under pine trees.

Inside opportunities include deep cleaning in the kitchen, choir back room, and janitor's closets and storage areas, as well as dusting of furniture and window sills throughout.

There'll be a sign-up sheet in Nehls Hall after church on Sunday, or you can call Jr. Warden Dana Carlson at 740-590-8800.

Many hands make light work!!!!!!
